Setup

Please take a few moments to register your Stedman's product with us. Next time you're surfing the Internet, visit the Stedman's web site at http://register.stedmans.com and register online. Your registration number can be found on the front cover of your Stedman's Emergency Medicine Words.

As a registered user, you'll receive free technical support, plus special notification of updates, upgrades, and special offers on other medical reference tools.

Don't delay - register today!
